

Sample Abstract

Alex Hansen
Department of Physics
Norwegian University of Science and Technology
NO-7491 Trondheim, Norway

This is a sample abstract for *Conference on Computational Physics 2010* to be held in Trondheim, Norway, June 23-26.

The abstract may be up to two pages long and may contain figures and tables. Here is a sample paper citation [1], and here is a sample book citation [2].

The abstract should be uploaded in PDF formatted for A4 paper size.
